Pro-Series

ENDLESS™ POOLS

EP508 Pro

POWERED BY HYDRODRIVE™ PRO TECHNOLOGY

Engineered for top performance, the EP508 Pro with Hydrodrive™ Pro Technology is the premiere solution for elite swimming and training. The powerful current has 135 precise pace settings and produces a flow that tops out at 0:51 per 100 yards. And, its flexible modular construction makes it easy to install indoors or out, even in challenging spaces.
